

## **Travel Directions**

**If you are travelling from the East by car**, head for Belgrave on the Burwood Highway. Continue straight ahead on the same road (now Monbulk Road, the C404) through Kallista and onto Monbulk. When you reach the roundabout with Mitre 10 on your left, take first left the sign for Silvern. Keep going on this road for about 2 minutes. Turn left up McCarthy Road. We are 2km up this dirt road on the left hand sign.

**From the City by car**, take the Eastern Freeway to its end and turn right onto Springvale Road. After a few blocks turn left onto Maroondah Highway. After you pass through Ringwood turn right onto Mount Dandenong Road. When you reach the T-intersection turn left towards Montrose. Travel straight ahead, as if to Lilydale until you reach the second roundabout. Turn right onto York Road. At the end of this road, at a roundabout, turn right onto Monbulk Road (C404) and head towards Monbulk. Keep going on this road for about 10 – 15 minutes. When you see the Vegetable shop on your left and the Vineyard sign shortly afterwards, look out for the dirt road coming up on your right. This is McCarthy Road. Turn Right up here. If you miss the turning, when you get to Mitre 10 turn back on your self and look for McCarthy Rd on your left. Go up the dirt road for about 2km until you reach our sign on the left.

**For public transport**, phone Metlink on 131638 or visit [www.metlinkmelbourne.com.au](http://www.metlinkmelbourne.com.au). You need to get to Belgrave and then make your way to Monbulk. There are trains that run to Belgrave station and then there are buses (No.663) that take you to Monbulk.
